ADVISOR | Welcome Guide

WELCOME

Dear Technology Source team member,

We would like to take this opportunity to welcome you to our Advisor program.

Technology Source is the **Sourcing as a Service company** with over 150 best-in-class business solutions, and over two decades earning trust with client throughout the United States.

Technology Source's Advisor program is unique to the industry. We have paired a global product set, including IT Services, Telecom Services and more with highly skilled technology Advisors. We provide our Advisors access to a tenured and successful Senior Advisor that will help excellerate your success. In addition, our Advisors are provided access to critical tools. These tools include: marketing resources, use of our brand, use of our website, a Technology Source email address, business cards and presentations — all at no cost to you.

As an Advisor for Technology Source, you will play a critical role in our success. Your unique background and skill set provides our clients with a critical resource in an environment where there is never enough budget or headcount available in todays IT Department.

With our unique approach, your clients will have an unapparelled experience. With your help, Technology Source will guide your clients through the process of identifying project requirements, designing a custom-tailored solution, assisting with vendor selection, price negotiation and implementation support. Our service doesn't stop at the sale. Technology Source offers assistance with implementation escalations and even post sale support.

Building your business will not be easy, it will take dedication, discipline and hard work but we are confident that we can succeed together.

Let's get started!

Sincerely,

Dominic Antonini
President
